

### Highlights:

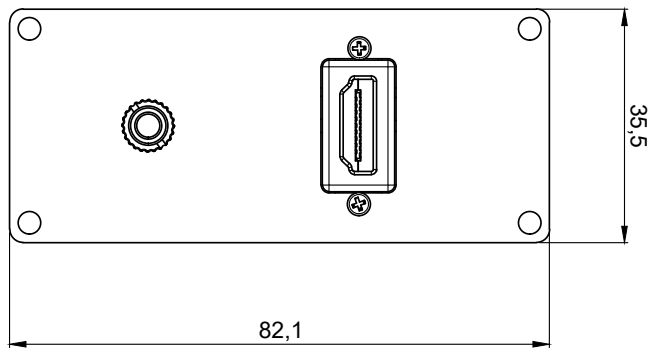

- Flexible system for system integration & connectivity
- Compatible with any CASY chassis
- Solderless connections
- 1.5 mm thick cold rolled steel frame
- Structured and scratch resistant black powder coating
- Assembly screws included

The CASY152 is fitted with female HDMI connector on both sides of the module. The front side is also fitted with a female 3.5mm mini jack connector on the front that leads to a pigtail female 3.5 mm mini jack on the back. This flexible structure for system integration & connectivity can easily be implemented in a wide variety of CASY chassis.
