

NOBA8

Compact 8" bass cabinet

Highlights:

- Modern and elegant design
- Wall mounted bracket included
- 100 Watt RMS power
- 8" high-performance woofer
- innovative & unique design
- Countless mounting possibilities
- High grade aluminum construction

Product information:

The NOBA8 is a compact 8" bass cabinet which is characterized by an innovative & unique design. With its curved shape, made of 4 mm thick aircraft graded aluminum and its extremely powerful 8" woofer of 200 Watts, the NOBA8 is able to deliver an unheard low frequency response for its small woofer size. The perfect acoustic experience is guaranteed when the entire audio frequency spectrum is equally distributed.

The slick look of the NOBA8 allows it to be placed against a wall, on the ceiling or even underneath furniture, yet due to the unique composition of its parts, NOBA8 ensures a much better spreading of sound waves than other similar cabinets. It is loaded with a 8" high-performance woofer constructed with a Max power handling of 200 Watt, with an RMS rating of 100 Watt. The strength of this loudspeaker originates from a 2.4" voice coil which is allowed to extra long excursions, combined with a large magnet size. Displacements are precisely controlled by the low-loss suspension resulting in a superior linear behaviour.

The input connection is made using a terminal block connector located at the inner side of the supporting structure, allowing close placement to any wall or corner. An included wall mounting bracket offers convenient mounting possibilities to any wall, while fixation to ceilings is possible through optionally available accessories.

Applications:

- Bars, restaurants
- Retail
- Education
- Corporate spaces
- Residential

System specifications:

Speaker type		8" Bass reflex cabinet
Max. Power		200 W
RMS Power		100 W
FM	Sensitivity (1W/1m)	83 dBm
Sound Pressure (Max. W/1m)		108 dB
Frequency	Response (± 3 dB)	90 Hz - 350 Hz
	Range (-10 dB)	45 Hz - 350 Hz
Drivers		8" ferrite with 2.4" voice coil
Connectors		2-pin Euro Terminal Block (Pitch - 5.08 mm)

Product Features:

Dimensions		558 x 383 x 149 mm (W x H x D)
Weight		8.75 kg
Construction		Aluminium with plastic side covers
Mounting & handling		Mounting wall bracket
Colours		Black (RAL9004) (NOBA8/B)
		White (RAL9003) (NOBA8/W)

Variants:

- NOBA8/B - Black
- NOBA8/W - White
